Rules of Entry

1. It is free to enter the Jewellery World Awards – Dubai Edition (JWA Dubai).
2. Each company is allowed to enter a maximum of **2** categories.
3. Registration and entry submission system is open on **Monday, 19 July 2021**. Early registration allows additional time to review award categories and judging criteria before submitting entries, and increases the chance of being interviewed by the Judging Panel which can be an advantage in the judging process.
4. Fully completed online Entry Form must be submitted by **19:59 (Gulf Standard Time) on Thursday, 21 October 2021**.

By submitting an entry, the applicant/entrant confirms that he/she is authorised to fill out the entry form on behalf of the company and all the information provided is true and correct.

Entrant must supply supporting documents to any claim made in the entry form. The supporting document can be in the form of news clipping, certificate from authority, or report issued by independent agents etc.

Entrant may be requested by the organiser to provide additional information or supporting document(s) in order to validate the fact or statement that is claimed by the entrant in the registration form and entry form(s). All entry forms and supporting documents will be handled and reviewed by the JWA Dubai team before handing over to JWA Dubai Judging Panel for judging.

5. Once a company is shortlisted as an Honouree, it will have to pay an Honouree Package fee that covers part of the costs of producing all Honouree-exclusive materials and trade-wide global marketing and promotion campaigns.

For each company, the Honouree Package fee is USD 700 for the first shortlisted category and USD 250 respectively for the second category being shortlisted as Honouree. So if a company is shortlisted for two categories, the fee will be USD 950.

By submitting an entry, the entrant agrees to pay this fee, which is non-refundable.

This fee will be charged once the company is shortlisted as an Honouree. Please visit <https://www.jwadubai.com/entry-submission/> for further details on what the Honouree Package fee covers.

6. Entry Form for each award category should be completed in full, including only information that is relevant to the specific question to enable the judging panel to assess its merit. **If the same answers are inappropriately applied to other categories you are entering, the judging panel reserves the right to consider entries with the same answers as one entry to a category at their discretion, and your entry to other categories will be disqualified.**
7. Due diligence will be conducted once the entry is closed. JWA Dubai reserves the right to request a visit to the facilities or for an interview over the phone, face-to-face or online, as part of the judging process.
8. Honourees, or shortlisted finalists, may be required to provide further details and documentation upon the request of the judging panel to support information given in the Entry Form.
9. The JWA Dubai reserves the right to move submission to a more appropriate category.
10. An entry to an award category cannot be withdrawn from the judging process once the applicant has been short-listed and announced as an Honouree.
11. Once shortlisted as Honourees, companies are required to submit high-quality images and information requested by our Editor within the deadline for the production of the JWA Dubai official publication.
12. For nomination-only categories, short-listing of nominees is at the discretion of the Chair of Judges.
13. All information supplied by applicants will be treated in the strictest confidence, with all judges obliged to sign non-disclosure agreements.

Entry does not grant an organisation or individual rights to use the JWA Dubai name, logo or images without the expressed written approval of the organiser. Only Honourees and Recipients will be granted permission to use the award's logo in compliance with the guidelines stipulated by the award's organiser.
